

Anyone can
spray for bugs.

**The difference
is how we
protect your
home.**

We live here. We work here. **We protect homes here.**

Family-friendly protection
built around your home.

1. Pests We Help Protect Against

**Ants, Spiders, Wasps,
Earwigs, Rodents, Ticks,
Seasonal pests, and more.**

2. The Rider Difference

- 10 x 15 x AROUND™ Protection
broader protection around the home
through exterior treatment, perimeter
protection, and targeted attention to areas
pests enter, travel, and hide; includes
cobweb removal and treatment up to 15 feet
up.
- Protection Built Around Your Home
plans tailored to the home's construction,
pest activity, seasonal conditions,
surrounding environment, and budget.
- Targeted Treatment
focus on cracks, crevices, entry
points, and areas where pests live
and travel, not only visible pests.

3. Flexible Service Options

- One-time service
- Quarterly protection
- Every other-month protection

*Rider monitors pest activity and
adjusts treatments as needed.*

4. The Rider Guarantee

**If pests return between
scheduled visits, Rider will
return and retreat the
affected area at no
additional charge.**
